Hidden Treasures

HIDDEN TREASURES WILL HELP YOU GET OUT OF DEBT, FORM A SPENDING PLAN, AND DO THE LOVING THING WITH YOUR GOD-GIVEN RESOURCES.

“This Bible study will challenge your group to become more like Jesus.”

- Dr. Jim Dorsey, USA/Canada Mission/Evangelism Director

Discover the joy of generous giving

To be like Jesus and have abundant life is the goal of every Christian. Hidden Treasures will teach you loving ways to manage your finances and find peace in Christ.

Billy Graham said that if you get your attitude toward money straight, every other area of your life will follow suit.

Churches are learning that Hidden Treasures is an effective tool to disciple your flock. One family at Gateway Church of the Nazarene realized how much money they spent eating out. They cut back and starting pledging that money to the church’s building fund.

That is the power of Abundant Living and the joy of generous giving in action!
